

Graduate Level Professional Development Credits for attendees of training sponsored by Safe & Civil Schools are available through UMass Global's Extended Education department. Register for credit through UMass Global's Independent Study: Special Topic Exploration.

Registration is done online at

<https://registration.umassglobal.edu/CourseRegistration.aspx?filter=EDIU9007>

Cost varies depending upon credit units. Before registering with UMass Global, please confirm with your district and/or state program to ensure these credits will be accepted.

After registration, students will complete a project that demonstrates their ability to apply the strategies they learned during the training. The project will then be evaluated for credit.

For additional information regarding registration and transcript questions, please contact UMass Global Extended Education at 800-632-0094 or online at
